

## List of courses: academic year 2021-22

All students willing to study at Luiss University for one or two semesters as visiting students can register for a wide range of courses, as listed below.

Before finalizing their registration, students are recommended to check [timetables for a.y. 2021-22](#) – as soon as available online - in order to avoid clashes.

Students are also invited to thoroughly check if the course is a standard or an elective course, as the latter are activated based on students' choices, which means that these courses will take place only if a minimum number of students will choose them as part of their study plan.
