

Call for applications for the awarding of eight scholarships to students admitted to the first year of a master's degree program at Luiss University following direct admission thereto with GMAT or GRE certification for the 2024/2025 academic year

As part of its initiative to value excellent students, Luiss University is offering **eight scholarships** to students who have applied for direct admission for the first year of a master's degree program in the 2024-2025 academic with a currently valid GMAT or GRE certificate.

The scholarships consist of a **full or partial waiver** of the University's annual tuition fee for the entire standard duration of the degree program. All expenses related to the stay in Rome, and the purchase of learning materials are excluded from the scope of this competition and remain the responsibility of the student.

1. Awarding of the Aid

The eight scholarships, consisting of a full waiver of the University's annual tuition fee, will be awarded with priority to students who submit GMAT certification with a score equal to or greater than 710 or equivalent GRE score converted based on the annexed table.

Two rankings will be drawn up for the purpose of awarding the aid:

- the first ranking, which will award four full waivers or partial equivalents, will be for all applications submitted from 15 November 2023 to 12 noon on 31 January 2024;
- the second ranking, which will award a further four full waivers or partial equivalents, will be for all applications submitted from 1 February 2024 to 12 noon on 31 May 2024.

The rankings will be determined based on GMAT/GRE scores in descending order irrespective of the degree program chosen. In the case of a tie, preference will be accorded to applications in the order in which they were submitted.

If the number of winners with a score equal to or greater than 710 is less than the number of planned scholarships, applications from students with a GMAT/GRE score lower than 710 will be considered until funds are exhausted. The scholarships thereby awarded, again in descending order of score, will consist of a **partial waiver** of the University's annual tuition fee **worth € 6,650**. In the case of a tie, preference will be accorded to applications in the order in which they were submitted.

The communication regarding the awarding of the aid will be sent:

- by 15 March 2024 to the students who filled out and submitted the online application form by 31 January 2024;
- by 30 June 2024 to the students who filled out and submitted the online application form by 31 May 2024.

2. Incompatibility

The aid envisaged by this competition is incompatible with other tuition fee waivers or scholarships held for any reason whatsoever, except for those awarded by Italian or foreign institutions designed to support, through periods abroad, a student's education for the academic years covered by this competition.

Should the student participate in the first year in a mobility program that requires the payment of university fees to a foreign university, the student will not be eligible for the aid envisaged by this competition.

3. Renewal of the Aid

The scholarship will be renewed for the second year of the degree program, on condition that the student, by the end of the summer exam session of the first year, has earned at least 70% of the education credits (**CFU**) required under their study plan for graduation purposes and has a weighted average grade of not less than 27/30.

4. Revocation

The aid envisaged by this competition will be revoked upon the occurrence of any one of the following:

- the student fails to enroll at Luiss Guido Carli for the first year of a master's degree program for the 2024/2025 academic year;
- the student no longer fulfills the merit requirements necessary for renewal for the second year, as specified in the preceding article hereof;
- the student enrolls as an off-track or repeating student;
- the student discontinues their studies;
- the student transfers to another university.

5. Submission of Applications

Applications to participate in this competition can be submitted, using the online form available at the [Financial Aid](#) webpages:

- from 15 November 2023 to 12 noon CET on 31 January 2024, or
- from 1 February 2024 to 12 noon CET on 31 May 2024.

The application form envisages the sending of the relevant GMAT or GRE certification by way of an attachment, under penalty of exclusion from the competition.

Students may apply only once opting for the first or second ranking, regardless of the date of admission to Luiss University.

Only complete applications received by the deadline will be considered. Luiss University disclaims any liability in relation to applications that are not received due to technical issues or reasons attributable to third parties.

6. Information and Clarification

Any requests for further information or clarification on scholarships can be addressed to the Financial Aid Office by e-mailing financialaid@luiss.it or to the Tutoring Service by e-mailing financialaid.tutor@luiss.it.
