Important Rules

- This study plan is designed for students taking part in the mentioned Double Degree Program and spending the academic year 2023-2024 at Skema.
- Interested students are required to read and understand the study plan and its rules. These are to be considered binding to the successful completion of the double degree program. Changes to the study plan are usually not possible. Any request in this sense must be conveyed to the International Development Office and the Academic Coordinator, that will evaluate the request.
- The listed exams must be taken and passed in the academic year indicated in the scheme (not after). Any possible change must be formally authorized by the Academic Commission.
- The listed exams must be taken and passed in the academic year indicated in the scheme (not after). Any possible change must be formally authorized by the Academic Commission.
- During the mobility, students will be subject to the rules of the partner university.
- At the end of the program, if compliant with both Luiss and Skema academic requirements, students will obtain both the Master of Science degree in Luxury and Fashion Management (issued by Skema) and the Master's Degree in Management (issued by Luiss).
- Selected students will need to spend a minimum of 4 months' work experience (both internships or paid work) after attending courses at Skema. The work experience is compulsory to obtain the Master's Degree issued by Skema. It needs to be in the field of luxury and/or fashion management and will help the students to write the thesis. Skema will provide substantial support on the research of the position, nonetheless students are responsible to secure a work position or internship. Selection procedures are autonomously conducted by the private companies and both universities are not to be held responsible for the work selection result.

Thesis

- Students will complete their theses during their mobility period at Skema with two supervisors: one from each university.
- Both supervisors have to approve the proposal, which must meet the standards of both institutions.
- Students must respect the thesis procedures and deadlines from both institutions.
- Students are reminded that they are required to comply with the Luiss regular procedure regarding the thesis assignment, registration for the degree exam and upload of the thesis. For further information, please check the [following page](#).
- Each institution will grade the final thesis according to its own standards.
- After the work experience, students can submit and defend their thesis in person or by Skype following the Skema timetable. The oral defense is organized between mid-January and mid-February 2025 (date TBC).
