Important Rules

- This study plan is designed for students taking part in the mentioned Double Degree Program and spending the academic year 2024-25 at University of Salzburg.
- The list of courses to be taken abroad may be subject to changes should the academic offer at University of Salzburg be amended.
- Interested students are required to read and understand the study plan and its rules. These are to be considered binding to the successful completion of the double degree program. Changes to the study plan are usually not possible. Any request in this sense must be conveyed to the International Development Office and the Academic Coordinator, that will evaluate the request.
- The listed exams must be taken and passed in the academic year indicated in the scheme (not after). Any possible change must be formally authorized by the Academic Commission.
- During the mobility, students will be subject to the rules of University of Salzburg.

¹If they wish, students taking part to this program have the possibility to attend a German course in Salzburg. The course is not compulsory. Please note that the course has fees, according to the number of hours and the level of language knowledge (approximately from a minimum of € 25 to a maximum of € 75). The course will not be recognized in Luiss as the compulsory second language part of the Master of International Relations: students will need to take and pass the second language course in Luiss by the end of Year 1.

- At the end of the program, if compliant with both Luiss and University of Salzburg academic requirements, students will obtain both the Master of Arts in European Union Studies (issued by University of Salzburg) and the Master’s Degree in International Relations (issued by Luiss)

Thesis

- Students will complete their theses during their mobility period with two supervisors: one from each university.
- Both supervisors have to approve the proposal, which must meet the standards of both institutions.
- Students must respect the thesis procedures and deadlines from both institutions.
- Students are reminded that they are required to comply with the Luiss regular procedure regarding the thesis assignment, registration for the degree exam and upload of the thesis. For further information, please check the [following page](#).
- Each institution will grade the final thesis according to its own standards.
- Luiss Students will defend their thesis at Luiss starting from the Autumn degree session (October/November 2025) and then at Salzburg in one of the available sessions.
