## Important Rules

- This study plan is designed for students taking part in the mentioned Double Degree Program and spending the academic year 2024-25 at Tilburg.
- The list of courses to be taken abroad may be subject to changes should the academic offer at Tilburg be amended.
- Interested students are required to read and understand the study plan and its rules. These are to be considered binding to the successful completion of the double degree program. Changes to the study plan are usually not possible. Any request in this sense must be conveyed to the International Development Office and the academic coordinator, that will evaluate the request. The listed exams must be taken and passed in the academic year indicated in the scheme (not after). Any possible change must be formally authorized by the Academic Commission.
- During the mobility, students will be subject to the rules of Tilburg.
- At the end of the program, if compliant with both Luiss and Tilburg academic requirements, students will obtain both the MSc in Supply Chain Management (issued by Tilburg) and the Master's Degree in Management (issued by Luiss)

## Thesis

- Students will complete their theses during their mobility period with two supervisors: the first supervisor from Tilburg; the second supervisor from Luiss.
- Both supervisors have to approve the proposal, which must meet the standards of both institutions. The student will consult in principle the first supervisor, if necessary also the second. Both supervisors will have regular mutual consultation on the content and progress of the thesis, at their discretion and judgement.
- Students must respect the thesis procedures and deadlines from both institutions.
- Each institution will grade the final thesis according to its own standards.
- Students are reminded that they are required to comply with the Luiss regular procedure regarding the thesis assignment, registration for the degree exam and upload of the thesis. For further information, please check the [following page](#).
- Students will defend their theses in Tilburg at the end of the second year and in Rome in October/November.
